

# PREVENT ATM CARD FRAUD

Financial Institutions throughout Jamaica have been experiencing ATM Frauds. COK wants to remind its members to:

- **BE ALERT** when entering ATM machines, be mindful of your environment and others who may be in close proximity.
- **OBSERVE** the ATM machines for possible tampering of the machines
- **SHIELD** your pin when you enter it
- **COLLECT** all your receipts from the ATM machine before leaving
- **REVIEW** your account and billing statements regularly, verifying transactions done.
- **CUT** up or Shred ATM cards when you no longer need them
- **REPORT** lost or stolen cards immediately, contact your Branch Managers.
